

INTRODUCTION TO THE THE SCIENTIFIC METHOD

While serving as a Science Fair judge, I often encountered cases of participants who had obviously worked hard on their project, but didn't advance because the Scientific method wasn't applied. My goal is to therefore equip parents and students with the proper procedures of conducting a successful science fair project.

The Scientific Method: all levels of students, parents, teachers
The sections of this talk include:

- **History** of the Scientific Method, first initiated by Grosseteste a Bishop in the 12th Century
- The **proper procedures** expected by the Scientific community:
- **Illustrations** of actual projects that won awards

Daniel 1:4 Children in whom was no blemish, but well favored, and skillful in all wisdom, and cunning in knowledge, and **understanding science**,...
